BUFFALO BILLS WALL OF FAME

The Buffalo Bills' Wall of Fame was inaugurated in 1980 to honor former players and administrators who have played significant roles in Bills history. To be eligible for induction into the Wall of Fame, a player must have played for the Buffalo Bills at least three years and be retired from professional football. Administrators who have contributed their services to the Bills organization for an extensive period of time are also eligible.

The Wall of Fame is on the upper deck facade of Rich Stadium on both sides of the field. Paintings of each inductee are displayed in the lobby of the club's administration building.

THE NUMBERS GAME

Although the Buffalo Bills have not retired any numbers in the 30-year history, there are currently five numbers that are not issued to members of the squad...The numbers are 15 (Jack Kemp), 32 (O.J. Simpson), 44 (Elbert Dubenion) and 66 (Billy Shaw)...The other is 31 and it has never been issued to a member of the Bills...That was the number worn by the Buffalo player on letterhead used by the club in the 1960's when the Bills were in the American Football League.

OWNER

RALPH C. WILSON, Jr.

President and Owner

30th Year with Bills

Born October 17, 1918

It's been thirty years since Ralph Wilson became involved in professional football ownership. As the only owner of the Buffalo Bills, he has seen his club grow from its early days as a member of the fledgling American Football League to its present association with the National Football League.

During his tenure as owner of the Bills, he has watched two of his clubs win American Football League championships (1964-65) and just narrowly miss winning a chance to participate in two Super Bowls (1966 and 1988) when Buffalo fell in the AFL (AFC) title game.

Wilson has watched one of his players, O.J. Simpson, become the dominant player of the 1970's and move into the Pro Football Hall of Fame. Another of his former players, quarterback Jack Kemp, won a landslide election to the U.S. House of Representatives and later become a presidential cabinet member in 1989 (Secretary of Housing and Urban Development).

For Ralph Wilson, football has been important since he was a young man and accompanied his father to University of Detroit and Detroit Lion games. "I was an avid fan in the early part of my teens," Wilson recalls. "I could see the interest developing in professional football in the days of Leon Hart, Bobby Layne and Doak Walker. We could see how popular the sport was becoming."

His enthusiasm for professional football led him to purchase a minority share in the NFL Detroit Lions and later join ranks with Lamar Hunt and other members of "The Foolish Club" in an ambitious, but risky venture known as the American Football League.

In the beginning there was considerable skepticism regarding the AFL by the established members of the NFL and the news media, but "The Foolish Club" (the name given to the original eight owners of AFL franchises) persevered and finally negotiated a merger with the older National Football League.

Recalling his early days in the AFL, Wilson says he "never thought about throwing in the towel, never considered selling the team. Of course, in the first three years we lost money. There were times when I reminded myself that I used to pay five dollars for a ticket to the Lions' games and I enjoyed myself and had no headaches. I would ask myself what I was doing here."

It was Wilson and the late Carroll Rosenbloom, then owner of the Baltimore Colts, who had the first tentative talks in January, 1965, that eventually led

to the AFL-NFL merger. A former president of the AFL, Wilson served as a member of the Expansion Committee and the AFL-NFL Negotiations Committee.

He was also prominent in the negotiations which resulted in a 1977 agreement between the NFL Management Council and the NFL Players Association. In the past he has also served on the NFL Pension Committee and its Labor Committee. The Bills' owner is currently a member of several important league committees including the NFL Management Council committee, the Super Bowl site selection committee and the original six-man committee which interviewed and recommended candidates for the successor to NFL Commissioner Pete Rozelle.

COLLEGE/PERSONAL: Born in Columbus, Ohio, Ralph Wilson moved to Detroit with his family when he was a youngster. He earned his undergraduate degree from the University of Virginia and later attended the University of Michigan Law School. He enlisted in the Navy during World War II, earning his commission within a year and serving aboard minesweepers in both the Atlantic and Pacific theatres.

Among his many business pursuits, Wilson is Chairman of Ralph C. Wilson Industries, Inc. (headquarters in Detroit), which includes manufacturing, television, radio, construction, insurance and contract drilling.

Mr. Wilson lives in Grosse Pointe Shores, MI with his wife Jane, a clinical psychologist. His daughter, Linda Wilson Bogdan, is a member of the Bills' staff (see scouts' bios).

HOBBIES/INTERESTS: Owner of several thoroughbred race horses...avid tennis player and fan... has attended several world-class tournaments (Wimbleton, French Open, U.S. Open).

GENERAL MANAGER

BILL POLIAN

General Manager and
Vice President Administration
11th NFL Year, 6th with Bills
Born December 8, 1942

BILLS: The architect of the rejuvenation of the Buffalo Bills, Bill Polian was instrumental in creating the 1988 team that came within one step of going to Super Bowl XXIII. Working alongside owner Ralph C. Wilson, Jr. and head coach Marv Levy, Polian's negotiating prowess helped transform the Bills from an also-ran in 1985 to a contender for the AFC championship in just three years.

His innate ability to bring some of the finest football talent in the NFL to Buffalo led him to be named the 1989 NFL Executive-of-the-Year (Sporting News), as chosen by his peers. He was also selected as Buffalo/Niagara Sales and Marketing Executives Man-of-the-Year and received the Buffalo Dunlop Awards Dinner Distinguished Service Award.

Safety Leonard Smith, received in a trade with Phoenix, and defensive end Art Still from Kansas City were Polian's key acquisitions of 1988. They became a vital ingredient to an already tough defense.

In 1987, the Bills made headlines in what some people believe to be the trade of the decade. Polian helped orchestrate the deal with the Colts and Rams for Cornelius Bennett in October, 1987 and the trade climaxed a year of dealing by the club. When Buffalo dropped down from third to eighth in the opening round of the NFL draft, they still got linebacker Shane Conlan and a high pick in a later round. They packaged that pick with another later selection to choose Nate Odomes with the first pick of the second round. Leon Seals was also taken in the fourth round.

One of his biggest accomplishments in 1986 was the signing of Jim Kelly in August of that year. The impact was felt immediately as ticket sales jumped and interest soared. The Bills sold out their home opener with the Jets and drew a record 79,951 fans. Overall there were three sellouts in 1986 and attendance jumped from an average of 37,893 to 66,476.

Polian is entering his fourth season with the club after being appointed General Manager on December 30, 1985. Besides making a number of organizational changes, he has increased the Bills' overall marketing and promotional efforts in an attempt to make the Bills' front office, in his own words, "the best in the National Football League in everything we do."

Some of the moves instituted during his first three seasons included a promotional tie-in with Marine Midland Bank which vastly increased ticket outlets in Western New York and gave the club greater visibility. He also made an effort to upgrade the club's offseason workout program, which has resulted in a greater number of players spending all or a portion of their offseason in the area. Polian helped to establish the Buffalo Bills Foundation which aids Western New York charities, and he has made a great effort to provide a full entertainment package for fans attending home games with improved pre-game, halftime and post-game shows.

He has also been very involved in the community, making more than 250 speaking appearances in the last three years and serving as a board

member of the New York State Police Foundation, the United Way of Buffalo and Erie County and the Canisius College Athletic Advisory Board.

Polian served as the Bills' Director of Pro Personnel during the 1984-85 seasons. In that capacity, he was involved in the game scouting of future opponents, conducting contract negotiations with draft choices and free agents, coordinating tryouts for free agent prospects and handling a variety of other player personnel responsibilities.

During that time, he signed top pick Bruce Smith, the number one choice in the 1985 NFL Draft. He also went into the free agent market and signed former USFL players Kent Hull, kicker Scott Norwood and linebacker Ray Bentley along with NFL free agent Mark Kelso.

PROFESSIONAL EXPERIENCE: Before joining the Bills in August, 1984, Polian served one year as Pro Personnel Director of the Chicago Blitz in the USFL, where he worked with Marv Levy. The two worked closely together in 1976 while Levy was head coach in Montreal and Polian was a U.S. scout for the Alouettes. He later assisted Levy as a pro scout in Kansas City from 1978-82.

In addition, Polian worked as Player Personnel Director for the Winnipeg Blue Bombers (CFL) in 1983.

COACHING EXPERIENCE: Following college graduation, Polian accepted a coaching post at Manhattan College and spent two years there. During the next eight seasons he worked in the college ranks at the U.S. Merchant Marine Academy and Columbia as an assistant. He also served as head baseball coach at the Merchant Marine Academy for a period in that stretch.

HOBBIES/INTERESTS: Enjoys jogging and golf...served as certified collegiate basketball official for many years, still volunteers to officiate local youth games...coached his son's baseball team last summer.

COLLEGE/PERSONAL: William Patrick Polian is a graduate of Mt. St. Michael Academy in the Bronx and NYU. He was captain of the NYU football team and a starting safety in 1965. Graduated from NYU in 1966 with a degree in Physical Education and History. Born and raised in New York, later lived in Cornwall, NY. He now lives in Hamburg with his wife Eileen and their children Lynn (3/19/68), Chris (10/7/71), Brian (12/22/74) and Dennis (11/10/76).

NFL Commissioner Pete Rozelle (center) congratulated GM Bill Polian (left) and Head Coach Marv Levy on their NFL awards presented in March.

HEAD COACH

MARV LEVY

Vice President Football
Operations and Head Coach
13th NFL Year, 4th with Bills
Born August 3, 1928

BILLS: Marv Levy directed the 1988 Bills to one of the most memorable seasons in the 30-year history of the Buffalo franchise. After winning their first four games, the Bills drove on to a 12-4 regular season record and were one of only two teams in the league to go undefeated at home. Levy brought the excitement back to Buffalo football and the fans showed their appreciation by setting a new NFL in-stadium season attendance record, 622,793. Another record was set when the Bills clinched the AFC East title earlier in the season than any team in history, defeating the New York Jets in overtime, 9-6, in Week 12. With Buffalo gaining ever-increasing national attention, Levy kept his team poised in the first playoff game ever played at Rich Stadium and defeated the Houston Oilers, 17-10. Even though the Bills' magnificent season was stopped just short of the Super Bowl the following week at Cincinnati, Levy had established Buffalo as one of the premier clubs in the NFL. These accomplishments earned Levy and his staff the right to coach the AFC squad (which included seven players from the Bills) in the AFC-NFC Pro Bowl in Honolulu last January.

Beginning his first full season with the team in 1987, the highly-organized Levy led the Bills to a 7-8 record and a place in the battle for the AFC East title up until the next-to-last week of the season. Despite missing the playoffs, Buffalo earned renewed respect in the National Football League and served notice that the Bills were back in the playoff picture.

Levy led the Bills to a pair of wins over the Miami Dolphins for the first time since 1966 and also guided the club to a 21-14 victory over the Denver Broncos, who later went on to earn a berth in Super Bowl XXII.

Marv Levy enters his third full season as head coach of the Buffalo Bills and his fourth with the club. He took over with seven games remaining in 1986 and is serving as the 10th head coach in the 30-year history of the Bills.

Although Levy's 1986 club finished with a 2-5 record over the final seven games, the seeds of success were planted and the team improved in many areas, including the defense against the run, special teams play, and the all-important confidence area. The Bills were competitive in all seven games with the greatest margin of defeat being only 10 points.

PROFESSIONAL HEAD COACHING EXPERIENCE: When he was chosen to direct Buffalo's football fortunes on 11/3/86, Levy was serving as the Director of Football Operations for the Montreal Alouettes of the Canadian Football League. He brought a total of more than 30 years in the coaching profession to the Buffalo post.

When he joined the Bills in 1986, Levy was quite familiar with the club, having served as part of the Bills' preseason television crew for several years. He served as the color commentator (1983-86) and also did some work with NBC, ESPN and the University of California's football radio team (1985-86).

Levy coached for one season (1984) in the United States Football League with the Chicago Blitz, taking over a team that had changed considerably from its previous season. The team's ownership had changed, and all but four players from the previous season remained when he took over. Despite all these problems, the Blitz were a competitive club and posted a 5-13 record before the team's demise due to financial problems in 1985.

Before his venture into the USFL, Levy was an NFL head coach with the Kansas City Chiefs (1977-82). When he joined the Chiefs, the former Super Bowl champions were coming off a disastrous 2-12 season. But with Levy at the helm, improvement started immediately. In his first season, the Chiefs improved to 4-12 and continued to get better each year. His 1979 club was 7-9 and the following season, Levy's squad was 8-8. Only a late San Diego field goal in the final 13 seconds of a game in 1981 kept the Chiefs from winning the AFC West title and advancing to the playoffs. Levy departed Kansas City after the strike-shortened 1982 season to start working in broadcasting and did so for nearly two years.

The Canadian Football League also benefited from Levy's expertise when he became head coach of the Montreal Alouettes (1973-1977). In his five seasons in the CFL, Levy led the Alouettes to a 50-34-4 record and his teams were playoff contenders in all five seasons. In his second year, Montreal captured the CFL Grey Cup title with a 20-7 win over Edmonton in Vancouver. Three years later, the Alouettes repeated the trick, turning back Edmonton once again, 41-6, at Montreal's Olympic Stadium.

PROFESSIONAL ASSISTANT COACHING EXPERIENCE: Levy began his pro coaching career as kicking teams coach of the Philadelphia Eagles under Jerry Williams in 1969. He joined coach George Allen's staff as special teams coach for the Los Angeles Rams

HEAD COACH

in 1970 and followed him to the Washington Redskins as his special teams coach (1971-72) where he was instrumental in Washington's advance to Super Bowl VII, where they fell to Miami, 14-7.

COLLEGE COACHING EXPERIENCE: Success was synonymous with Levy when he served as head coach at The College of William and Mary (1964-68). He was twice named the Southern Conference Coach-of-the-Year while coaching the Tribe (1964-65) and led William and Mary to what the NCAA later called one of the 10 greatest upsets in college history, a 27-16 victory over Navy (1967).

Earlier, Levy was head coach at the University of California (1960-63) where his quarterback was former Dallas Cowboy star Craig Morton. Before his tenure there, Levy was head coach at the University of New Mexico (1958-59) where he earned the Skyline Conference Coach-of-the-Year honors both of his years there. He joined the New Mexico staff as an aide to Dick Clausen (1956).

Levy got his start in the coaching profession on the prep level as head coach at St. Louis Country Day School (1951-52). In just two seasons, he compiled a 13-0-1 record. He entered college coaching in 1953 as an assistant at Coe College (Cedar Rapids, IA) and stayed at his alma mater for three seasons (1953-55).

COLLEGE/PERSONAL: Marvin Daniel Levy was a standout running back in football and a sprinter on the track team at Coe College, and was a Phi Beta Kappa graduate from there (1950). He earned a master's degree in English History from Harvard University (1951). A native of Chicago, he graduated from Chicago's South Shore High School (1946). Lives in Orchard Park, NY.

"CLUTCH KICKS"

Kickers are judged almost solely on how many successful kicks they make, but what truly separates the average kicker from the elite is how they fare in the final 2:00 minutes of the game or in overtime. Scott Norwood has proven to be one of the Bills' best at kicking field goals during "crunch time". Here is how Norwood has done in those situations:

DATE/OPP	TIME/QUART.	DISTANCE	RESULT	FINAL
12/14/86 @ Indianapolis	2:00/4th	46	NO GOOD	24-14 L

The term NFL Rookie is defined as a player who is in his first season of professional football and has not been on the roster of another professional football team for any regular-season or postseason games. A Rookie is designated by an "R" on NFL rosters. Players who have been active in another professional football league or players who have NFL experience, including either preseason training camp or being on an active roster for fewer than three regular-season or postseason games, are termed NFL First-Year Players. An NFL First-Year Player is designated by a "1" on NFL rosters. Thereafter, a player on an NFL active roster for at least three regular-season or postseason games is credited with an additional year of NFL playing experience.

1988 GAME SUMMARIES

BILLS 13, Minnesota Vikings 10

September 4 — Rich Stadium — (76,783)

The Bills' defense dominated the Vikings, while Thurman Thomas rushed for 86 yards and a TD to help the Bills win the season opener, 13-10. Cornelius Bennett's interception set up a 27-yard FG by Scott Norwood and a 5-yard run by Thomas gave the Bills a 10-0 lead after the opening period. The Vikings cut the lead to 10-3 on Chuck Nelson's 30-yard FG with just over a minute left before the half. Norwood increased Buffalo's lead to 13-3 with a 26-yard FG early in the 4th period moments after Robb Riddick recovered a mishandled punt by Bucky Scribner at the Vikings' 11. Minnesota countered with a 74-yard scoring drive capped by Allen Rice's 2-yard TD run. After forcing a punt, Minnesota took over at their own 24-yard line with 3:10 left. The Vikings picked up 12 yards on 1st down, but Buffalo stopped 3 straight passing attempts, including a big sack by Hal Garner which forced the Vikings to punt. A 28-yard run by Thomas enabled the Bills to run out the clock and preserve the win.

BILLS 9, Miami Dolphins 6

September 11 — Rich Stadium — (79,520)

The Bills' defense held Dolphin quarterback Dan Marino without a TD for the 2nd straight game and Scott Norwood converted 3 FGs as the Bills defeated the Dolphins, 9-6. The victory marked the 3rd straight over the Dolphins and the 2-0 start marked the 1st time since 1982 that the Bills had won its opening 2 games. The teams traded FGs in the 1st half, before Miami took a lead on Fuad Reveiz's 27-yard FG early in the 3rd quarter. The Bills tied it following a 64-yard drive in the 4th quarter, and put together their winning drive following a missed 50-yard FG by Reveiz. Quarterback Jim Kelly, playing with the flu, hooked up with Andre Reed (24 yards) and Pete Metzelaars (22 yards) to drive to the Dolphins' 9. Three plays later the Bills scored a TD on a 7-yard pass to Chris Burkett, but it was nullified by an ineligible receiver downfield. Three plays later, Norwood connected on the game winner from 28 yards out with 3:12 remaining in the game. Miami took the ensuing kickoff and drove to the Bills' 39-yard line with just over a minute left before the Bills stopped 4 straight passing attempts to preserve the win.

BILLS 16, New England Patriots 14

September 18 — Sullivan Stadium — (55,945)

Scott Norwood's 41-yard FG with 11 seconds remaining lifted the Bills to a 16-14 victory over New England, marking the 1st win over the Patriots since 1981. The Bills battled back from a 14-3 halftime deficit to post their 3rd consecutive win of the season. Kelly shook off a rough 1st half and completed 14 of 18 passes in the final 2 periods, including 12 straight at one point. His accurate passing helped set up Norwood's 44-yard FG late in the 3rd period to make the score 14-6, and it helped cap off a 66-yard drive moments later when the Bills' QB connected with Robb Riddick from 3 yards out to close the margin to 14-13. The Bills' inspired defense blanked the Patriots in the 2nd half and forced the hosts to punt with 2 minutes remaining to give the Bills the ball at their own 48. Kelly completed 2 straight passes of 14 and 7 yards to move Buffalo to the New England 31. Two consecutive runs of 4 yards each by Riddick and Ronnie Harmon moved the ball to the 23 before Kelly threw one away to stop the clock. Norwood connected from 41 yards out on the next play to win the game.

BILLS 36, Pittsburgh Steelers 28

September 25, 1988 — Rich Stadium — (78,735)

The Bills' special teams played a major role in the 36-28 victory over the Steelers as kicker Scott Norwood kicked a record-tying 5 field goals and the punt coverage unit blocked 2 Steelers' punts. The 5 FGs also raised Norwood's string of consecutive FGs to a club record 12. The Bills used a Norwood FG and a 26-yard TD pass from Jim Kelly to Chris Burkett to open up a 10-0 lead after the 1st quarter. But the Steelers battled back to take a 14-13 lead before Norwood's 39-yard FG with 5 seconds left in the half put the Bills in front to stay. Two 3rd-quarter TDs by Robb Riddick, the 2nd on a 5-yard blocked punt return, staked the Bills to a 30-14 lead. Norwood added two 4th-quarter FGs before Pittsburgh closed the margin to 36-28 with a pair of TDs with less than 2 minutes remaining in the game.

October 2 — Soldier Field — (62,793)

The Bills suffered their 1st loss of the 1988 season when they fell to the Chicago Bears on the road, 24-3. Chicago dominated and scored 17 unanswered points to put the game away early. A 4-yard pass from Jim McMahon to Emory Moorehead gave the Bears a 7-0 1st period lead before Scott Norwood's 13th consecutive FG cut the lead to four, 7-3. The Bears responded with 2 long scoring plays in the 2nd quarter. McMahon connected with Ron Morris on a 63-yard TD pass and Dennis Gentry scored on a 58-yard reverse following an interception of a Jim Kelly pass. Kevin Butler added a 22-yard FG in the 2nd period to put the Bears in front 24-3. Norwood's consecutive FG streak ended late in the 2nd quarter when his 46-yard attempt sailed wide left. The closest the Bills could penetrate in the 2nd half was to the Bears 14 before being stopped on downs.

BILLS 34, Indianapolis Colts 23

October 9 — Rich Stadium — (76,018)

The Bills overcame a 17-0 2nd-quarter deficit to defeat the Colts 34-23 in a steady rain at Rich Stadium. Buffalo scored on a 98-yard drive with just 51 seconds remaining in the half to cut the lead to 17-7. Indianapolis had used a Chris Chandler 1-yard TD run and a 39-yard scoring pass from Gary Hogeboom to Clarence Verdin, in addition to a 31-yard Dean Biasucci FG, to post its lead. The Bills erupted for 27 second-half points sparked, by Jim Kelly and Andre Reed. Kelly had his best day of the season, completing 21 of 39 passes for 315 yards and 3 TD's. Reed had only 1 catch in the 1st half, but exploded for 116 yards on 6 receptions, including TDs of 16 and 12 yards, in the 2nd half to total 124 yards for the day. Reed's 58-yard reception in the 3rd quarter helped set up the Bills' 3rd TD to give the hosts a 21-20 lead. The clubs traded FGs, before the Bills' defense took control of the game midway through the final period. The defense limited the Colts to 79 total yards in the 2nd half as Cornelius Bennett recovered an attempted backward pass by Gary Hogeboom at the Colts' 9-yard line to set up a 19-yard Scott Norwood FG. Robb Riddick's 1-yard TD plunge with just over 2 minutes remaining in the game sealed the Bills' 5th victory of the season.

BILLS 37, New York Jets 14

October 17 — Giants Stadium — (70,218)

The Bills scored the first 5 times they had the ball on their way to a 37-14 blowout of the New York Jets before a nationally-televised audience and capacity crowd at the Meadowlands. Jim Kelly shocked the Jets early with a 65-yard scoring strike to Andre Reed as the Bills built up a 31-7 halftime lead. Later in the opening half, Kelly connected with Flip Johnson for a 66-yard TD pass that had been tipped by the intended receiver Robb Riddick. Reed made it two consecutive games with a pair of TD receptions when he and Kelly combined on a 16-yard TD late in the second period. A 30-yard Scott Norwood FG and a 1-yard TD plunge by Robb Riddick rounded out the impressive half for the Bills. Kelly completed 12 of 16 attempts in the 1st half for 261 yards and 3 TDs. The victory marked the 1st time the Bills won on Monday Night Football since December 12, 1981, when they defeated Miami 31-21 at Rich Stadium. Johnny Hector's 1-yard TD run accounted for the Jets only score of the 1st half. The only TD of the 2nd half came on a 40-yard interception return of an errant Kelly pass by Erik McMillan. The Bills' defense stifled the Jets passing game and limited the hosts to 199 total yards.

BILLS 23, New England Patriots 20

October 23 — Rich Stadium — (76,824)

Kicker Scott Norwood continued his heroics for the Bills by booting a 33-yard FG with 13 seconds remaining to give Buffalo a 23-20 victory over New England. It marked the 2nd time in the season Norwood kicked a game-winning FG in the final seconds against the Patriots and his kick capped a 13-play, 69-yard drive by the Bills. New England scored all its points off Buffalo turnovers as the Pats turned two fumbles into TD's and Raymond Clayborn's interception set up their final TD. The kicking game proved to be the difference in the game with Norwood connecting on three FGs (30, 35, 33). His counterpart, Pats' kicker Teddy Garcia, who came up empty on 3 FG attempts, also had a PAT partially blocked by Howard Ballard, who also blocked a FG attempt. The game saw 4 lead changes before Buffalo took the lead for good with 13 seconds left. New England held leads of 7-0 and 13-10 and Buffalo was on top 10-7 and 20-13.

BILLS 13, Seattle Seahawks 3

November 6 — Kingdome — (61,074)

The Bills' defense continued to excel as Buffalo kept its opponent out of the end zone for the 2nd straight week. The Seahawks were held to 145 total yards in registering the Bills 13-3 victory in Seattle. It was Buffalo's 1st regular season victory ever over the Chuck Knox-coached Seahawks. Scott Norwood put the Bills on the scoreboard first with a 27-yard FG with 4:27 remaining in the 1st period. The FG capped a 14-play, 61-yard drive in which Jim Kelly connected on 4 of the 5 passes he attempted. Seattle answered with Norm Johnson's 41-yard FG in the 2nd period. But Buffalo regained the lead for good with just under 2 minutes to go in the half when Robb Riddick went airborne over the pile for a 1-yard TD to cap a 73-yard drive. Riddick finished the day with a season high 75 yards on 18 carries. The Bills finished the scoring

BILLS 31, Miami Dolphins 6

November 14 — Joe Robbie Stadium — (67,091)

The Bills exploded for 21 unanswered points in the 2nd half to defeat the Dolphins 31-6 before a national television audience on Monday Night Football, marking the 1st time that the Bills had won 4 straight from the Dolphins. A 16-yard pass from Jim Kelly to Ronnie Harmon got the Bills started and it proved to be all the scoring the Bills needed when Scott Norwood added the extra point. Norwood made a 30-yard FG to make it 10-0 in the 2nd period before Dan Marino got the Dolphins on the board with a 4-yard pass to Mark Clayton. It was Miami's 1st TD against Buffalo after 2 straight blankings in the TD department. The Bills dominated the 2nd half as Robb Riddick upped the margin to 17-6 with a 1-yard run in the 3rd period. Harmon then made it 24-6 with a 6-yard run just over 2 minutes later, following a Cornelius Bennett interception. Buffalo's final tally came in the 4th period following another interception, this one by Shane Conlan, his 1st pro theft. Riddick scored his 2nd TD in the game on a 1-yard run as the Bills held a 36:43 to 23:17 edge in time of possession and rolled up 416 yards in total offense compared to just 257 for Miami.

BILLS 9, New York Jets 6 (OT)

November 20 — Rich Stadium — (78,389)

Scott Norwood's 30-yard FG at 3:47 into overtime led the Buffalo Bills to their 1st AFC Eastern Division title since 1980 as the squad posted a 9-6 victory over the New York Jets at Rich Stadium. It was the 6th time in 11 Buffalo victories that Norwood's kicking had made the difference in the game and this one capped an emotional final 8 minutes for the Bills. With the game tied at 6-6, the Bills appeared to be in excellent shape to score the winning points with just under 5 minutes left. Taking over at their own 40, Buffalo quickly moved into Jets' territory thanks to a 1st down pass from Jim Kelly to Pete Metzelaars which covered 35 yards and moved the Bills to the Jets' 25. But on the next play, the Jets separated rookie Thurman Thomas from the ball and Scott Mersereau recovered at the 30. With 3:53 remaining the Jets began a drive towards Buffalo's goal. New York moved to the Buffalo 23 in 10 plays where they set up for what could have been a winning FG with 25 seconds left. However, NT Fred Smerlas blocked Pat Leahy's 40-yard attempt in one of Buffalo's most important plays of the season. New York won the toss in OT and two plays following the kickoff, CB Derrick Burroughs forced a fumble by Roger Vick which was recovered by Cornelius Bennett at the Jets' 32. Four straight runs by Robb Riddick netted 20 yards to set up Norwood's third down attempt from the 20-yard line. Norwood had earlier made kicks from 25 and 26 yards and had missed from 47 yards (hit crossbar).

Cincinnati Bengals 35, BILLS 21**November 27 — Riverfront Stadium — (58,672)**

The injury-riddled Bills saw their 7-game winning streak come to a halt when they dropped a 35-21 decision to the Bengals. Cincinnati's top-ranked offense gained 455 yards in the win and held a 41:21 to 18:39 edge in time of possession. The Bills, however, were playing without 3 defensive starters. ILB Shane Conlan, the team's leading tackler, missed the game with a foot injury and LCB Derrick Burroughs sat out the game with an ankle injury. To further complicate things, starting OLB Darryl Talley suffered a bruised thigh in the opening series and missed all but a few plays in the game. The Bengals jumped to a 21-0 lead before the Bills were able to get on the board with just under 2 minutes left in the 1st half. Quarterback Jim Kelly drove the Bills 80 yards in just over a minute following Cincinnati's 3rd score and Robb Riddick scored the Bills' 1st TD on a 1-yard run. The Bills took the opening 2nd half kickoff and drove to the Cincinnati 9-yard line but the Bengals thwarted the Bills' scoring opportunity when David Fulcher picked off Kelly in the end zone. The Bills came right back in their next series as Kelly moved Buffalo 68 yards in just 9 plays and completed 5 passes with the 5th going for 9 yards and a TD to Ronnie Harmon which cut the lead to 28-14 at the end of the 3rd period. The Bills continued to fight their way back by scoring on their initial possession of the 4th period. The 3rd score came on another 1-yard run by Riddick which capped a 50-yard, 4-play drive. The Bills forced a Bengal punt on the next possession and then began a drive from their own 38-yard line to possibly tie the game. The drive stalled when Riddick lost a 7-yard pass from Kelly and it was recovered by Lewis Billups at the Cincinnati 35. The Bengals took advantage of the miscue and 15 plays later, Woods scored his 3rd TD on a 2-yard run making it 35-21.

Tampa Bay Buccaneers 10, **BILLS** 5

December 4 — Tampa Stadium — (49,498)

The Bills dropped their 2nd straight game as they were shocked by the host Tampa Bay Buccaneers, 10-5. Buffalo was never able to get on track but still had a chance to pull the game out in the final 2 minutes, until Bucs SS Mark Robinson intercepted a Jim Kelly pass at the Bucs 14 with just under a minute remaining in the game. Kelly had completed 6 of 7 passes in driving the Bills from their own 20 to the Tampa 25 in just over 2 minutes. The Bucs built a 10-0 halftime lead on the strength of a 29-yard FG by John Carney and a 4-yard bootleg TD by QB Vinny Testaverde. The Buffalo defense took advantage of poor field position and scored the Bills' initial points of the game when Bruce Smith sacked Testaverde in the end zone for a safety to make it 10-2. The Bills cashed in 2 possessions later when Scott Norwood nailed a record-setting 30-yard FG just 1:27 into the 4th period to make it 10-5. Tampa Bay answered Norwood's kick with a drive which consumed better than 10 minutes, but NT Fred Smerlas killed the Bucs' scoring chances when he blocked Carney's 29-yard FG attempt to help set the stage for Buffalo's final drive which ended with Robinson's interception.

BILLS 37, Los Angeles Raiders 21

December 11 — Rich Stadium — (78,348)

Buffalo ran over the Los Angeles Raiders, 37-21, to end a 2-game losing streak. The Bills rushed for a season-high 255 yards and scored 20 straight points in the 2nd and 3rd quarters to put the game out of reach. Robb Riddick's 1-yard TD plunge capped the Bills' opening 80-yard drive to give the hosts a 7-0 lead midway through the opening period. The Raiders answered with a Steve Smith 1-yard TD run. A 37-yard TD run by Thurman Thomas followed by a pair of 30-yard FGs by Scott Norwood gave the Bills a 20-7 halftime lead. Buffalo kept hot in the frigid conditions (wind chill -14) at Rich Stadium in the 3rd quarter when Sherman Cocroft pounced on a muffed punt at the Raiders' 11. Four plays later, Robb Riddick ran over left tackle for a 2-yard TD giving the Bills a 27-7 lead. The Raiders made it 27-14 when Jay Schroeder connected with Tim Brown on a 43-yard TD pass. Buffalo answered with a 64-yard, 10-play drive capped by a Kelly to Butch Rolle 2-yard TD pass. Following a 6-yard Schroeder to Steve Smith TD pass, Norwood connected on his 32nd FG of the season, a 22-yarder, to set the final score at 37-21.

Indianapolis Colts 17, BILLS 14

December 18 — Hoosier Dome — (59,908)

The Bills were unable to hold an 11-point 4th quarter lead as Indianapolis came back to defeat Buffalo, 17-14, before an enthusiastic crowd at the Hoosier Dome. The Bills appeared to have the game in hand as they led 14-3 after Andre Reed snared a 6-yard Jim Kelly pass for a TD with 12 minutes to go in the game. Veteran Gary Hogeboom came in for injured Chris Chandler and directed the Colts comeback. The Colts drove 80 yards in 17 plays and Matt Bouza caught a 3-yard TD pass to cut the lead to 14-10. The Colts then forced the Bills to punt and took over at their own 25 with 3:19 to go in the game. Hogeboom marched the Colts 75 yards in 8 plays, culminated by a 7-yard TD pass to RB Albert Bentley, to give the Colts a 17-14 lead. The key play in the drive was a 10-yard run by Bentley on a 3rd and 7 play at the Bills 22-yard line. Buffalo took over with 1:10 remaining in the game and drove to the Colts' 46 before Kelly was sacked on a 4th down pass attempt to seal the Bills' fate. Reed finished the day with 7 receptions which gave him a club-record 71 receptions for the year.

AFL EASTERN DIVISION PLAYOFF

Boston Patriots 26, **BILLS** 8

December 28, 1963 — War Memorial Stadium — (33,044)

Babe Parilli passed for 292 yards and a pair of TDs and Gino Cappelletti kicked 4 FGs to lead the Boston Patriots over Buffalo 26-8 in the Eastern Division playoff game. The Boston defense limited the Bills to just 7 yards rushing and intercepted 4 Bills' passes to ruin Buffalo's 1st postseason playoff appearance. Buffalo had just 38 yards total offense in the 1st half as the Patriots broke to a 16-0 lead. The Bills' only scoring threat was set up by a 62-yard kickoff return by Elbert Dubenion, but Buffalo couldn't move and a 39-yard FG attempt fell short. In the 2nd half, Buffalo scored 1st on a 93-yard pass play from Daryle Lamonica to Dubenion late in the 3rd quarter, but Boston answered with a 68-yard TD capped by a Parilli pass to Larry Garron that put the game out of reach.

AFL CHAMPIONSHIP

BILLS 20, San Diego Chargers 7

December 26, 1964 — War Memorial Stadium — (40,242)

Buffalo made its first appearance in an AFL Championship Game a successful one with a 20-7 victory over the San Diego Chargers. The Bills used a punishing ground attack and stingy defense as its main weapons. The Chargers scored first and made it look easy, driving 80 yards in just 4 plays, but the momentum quickly changed hands. On the Chargers' 2nd possession, the Bills' Mike Stratton crashed into San Diego RB Keith Lincoln, putting the Chargers' starter out of the game, and a sense of excitement rippled through the Buffalo stands. The rest of the game belonged to the Bills. Cookie Gilchrist's 122 rushing yards complimented the varied Bills' passing attack as Buffalo scored 20 unanswered points. A pair of Pete Gogolak FGs and a 4 yard run by Wray Carlton gave Buffalo a 13-7 halftime lead and Jack Kemp's 47-yard pass to Glenn Bass set up a Kemp sneak for a TD in the 3rd quarter that finished the scoring.

AFL CHAMPIONSHIP BILLS 23, San Diego Chargers 0

December 26, 1965 —Balboa Stadium— (30,361)

For the 2nd straight year, the Buffalo Bills can thank their defense. Just ask the frustrated San Diego Chargers, who for the 2nd time fell to the Bills in the AFL Championship Game, this time by a 23-0 count. In 8 quarters of championship play, the Chargers managed just 7 points against Buffalo. After an uneventful 1st quarter, Jack Kemp, voted the game's MVP, hit Ernie Warlick with an 18-yard TD pass to open the scoring and 3 minutes later the Bills' Butch Byrd returned a punt 74 yards for a score to put Buffalo on top 14-0. The rest of the game belonged to the Bill's defense as time and again they thwarted San Diego's explosive offense. Three Pete Gogolak FGs in the 2nd half added icing to the Bills' championship cake.

AFL CHAMPIONSHIP

Kansas City Chiefs 31, **BILLS 7**

January 1, 1967 — War Memorial Stadium — (42,080)

Led by the impeccable quarterbacking of Len Dawson, the Kansas City Chiefs earned the right to play the Green Bay Packers in Super Bowl I by defeating Buffalo 31-7. Dawson completed 16 of 24 passes for 227 yards and a pair of TDs while the Chiefs' defense forced 4 Buffalo turnovers and limited the Bills to 9 first downs and 40 yards rushing. It was a turnover that turned the game around as the teams traded early TDs. The Chiefs took advantage of a Buffalo fumble on the opening kickoff to grab a 7-0 lead. The Bills countered with a 69-yard bomb from Jack Kemp to Elbert Dubenion to tie the game. Dawson hit Otis Taylor with a 29-yard TD pass in the 2nd quarter to put the Chiefs on top, but Kemp moved Buffalo into scoring position near the end of the half. A Johnny Robinson interception and long return set up Mike Mercer's 32-yard FG with 3 seconds left in the half and Kansas City had the momentum. Buffalo never penetrated the Chief's 40-yard line in the 2nd half while Kansas City added a pair of scores by Mike Garrett to turn the game into a rout.

AFC DIVISIONAL PLAYOFF

Pittsburgh Steelers 32, **BILLS 14**

December 22, 1974 — Three Rivers Stadium — (48,321)

A 4-TD explosion in the 2nd quarter propelled the Pittsburgh Steelers to a 32-14 win over the Bills, spoiling Buffalo's 1st postseason appearance in 8 years. The Bills moved out to an early 7-3 lead on a 22-yard TD pass from Joe Ferguson to Paul Seymour. Buffalo's advantage was short-lived against the eventual Super Bowl Champions. Terry Bradshaw ran the Steeler offense to perfection in the 2nd quarter, completing 7 of 8 passes for 143 yards and repeatedly hurting Buffalo with scrambling gains. Rocky Bleier began the Pittsburgh scoring avalanche with a 27-yard TD reception and Franco Harris scored 3 times from inside the 5 yard line as the Steelers moved out to an insurmountable 29-7 lead. In the 2nd half, Buffalo's comeback hope were

1980 AFC DIVISIONAL PLAYOFF San Diego Chargers 20, BILLS 14

January 3, 1980 — San Diego Stadium — (48,321)

Making their 1st playoff appearance since 1974, the Bills had a victory within their grasp until the waning moments. Then, in dramatic fashion, the San Diego Chargers rallied from a 14-13 deficit as QB Dan Fouts connectd with WR Ron Smith on a 50-yard scoring pass with just 2:08 remaining in the game. The reception was only the 5th of the season for Smith. Playing courageously on a badly sprained left ankle, QB Joe Ferguson tried to direct a last ditch bid by the Bills. His efforts were thwarted, however, when a pass was picked off by a San Diego defender after Buffalo had reached midfield. Meeting for the 2nd time at San Diego within a 3-month span, the teams battled on even terms until the Chargers got a late 1st quarter FG. Then the Bills took command with two 2nd period scores. The 1st came on a 1-yard burst up the middle by Roosevelt Leaks early in the quarter. With only 16 seconds remaining before halftime, Ferguson connected with WR Frank Lewis on a 9-yard scoring play, upping the Bills' margin to 14-3. San Diego countered with a 3rd quarter TD and 4th period FG before the late heroics by Fouts and Smith. With Ferguson badly hobbled by his ankle injury, the Buffalo offense never got into gear in the 2nd half, managing just 94 total yards. Even so, it took a spectacular play to keep the Bills from achieving their 3rd consecutive win over the Chargers in playoff competition, the last one coming in the 1965 AFL title game.

1981 AFC WILDCARD PLAYOFF

BILLS 31, New York Jets 27

December 27, 1981 — Shea Stadium (57,050)

In a "wild card" game that lived up to its name, the Buffalo Bills stormed to a 24-0 lead but needed a last-second interception by Bill Simpson to preserve their 1st postseason victory since 1965. Charles Rome's got the visitors off and winning by picking up Bruce Harper's fumble on the opening kickoff and returning it 26 yards for a TD. The play took 16 seconds and was the 2nd fastest score in NFL playoff history. TD passes of 50 and 26 yards to Frank Lewis, who caught 7 for 158 yards in the game, were sandwiched around a 29-yard Nick Mick-Mayer FG to put the Bills, who lost in New York 33-14 during the regular season, up by 24-0. The Jets hung up 10 points before halftime and trailed 24-13 after Pat Leahy's 19 yard FG in the 3rd quarter. Joe Cribbs, who rushed for 83 yards and caught passes for 64 more, staked the Bills to a 31-13 lead with his 45-yard scoring run 5 minutes deep into the final period. The Jets, however, refused to die. Richard Todd moved them 80 yards in 8 plays, hitting Bobby Jones with a 30-yard TD toss. After Buffalo failed to move, Todd helped by a big interference call against Mario Clark that wiped out an apparent interception, got New York on the board again with a 58-yard march that ended on Kevin Long's 1-yard plunge to paydirt. Buffalo could not generate a 1st down and turned the ball back to New York at the Jets' 20 with 2:36 remaining. Todd passed the Jets downfield, reaching the Buffalo 11 with just 10 seconds to play. Simpson stepped in front of his 2nd-and-10 try for Derrick Gaffney in the end zone to intercept at the Buffalo one to seal the Jets' doom.

Cincinnati Bengals 28, BILLS 21

January 3, 1982 — Riverfront Stadium —55,420

AFC Champion Cincinnati, cashing in a long punt return and a pass interception, jumped to a 14-0 1st quarter lead and held on to defeat Buffalo 28-21 in a divisional playoff game at Riverfront Stadium. It was the 1st postseason victory in the history of the Bengals' franchise and, for the 2nd straight year, eliminated the Bills in the semi-finals of the NFL's postseason tournament. The Bengals' Mike Fuller returned a Greg Cater punt 27 yards to start Cincinnati's 1st possession at the Buffalo 42. Charles Alexander, who was a surprise rushing leader for the Central Division champs with 71 yards, capped a 7-play drive with his 4-yard scoring run. After Ken Riley intercepted a Joe Ferguson pass, the Bengals marched 48 yards in 8 plays and took a 14-0 advantage on Pete Johnson's 1-yard run. Buffalo breathed new life before halftime, as Ferguson hit Jerry Butler with a 54-yard pass to draw within 14-7 on Joe Cribbs' 1-yard run. Early in the 3rd quarter, the Bills evened the issue on a 44-yard scoring run by Cribbs, a play that would later prove costly as the Buffalo rushing leader injured a knee and played only one more down before retiring for the afternoon. The teams traded TDs, Cincinnati scoring on a 20-yard run by Alexander and Buffalo on a 21-yard pass from Ferguson to Butler, to make it 21-21 after 1 play of the 4th quarter. Bengal QB Ken Anderson orchestrated a 78-yard drive in 9 plays to put Cincinnati back in the driver's seat 28-21 on a 16-yard scoring pass to Cris Collinsworth. Buffalo's last grasp reached the Bengal 20 late in the final stanza but a controversial delay-of-game penalty wiped out an apparent 3rd down conversion pass to Lou Piccone and Ferguson overthrew Roland Hooks in the end zone on 4th down.

BILLS 17, Houston Oilers 10

January 1, 1989 — Rich Stadium — (79,532)

The Bills used a swarming defense and inspired special teams play to defeat the Houston Oilers before 79,532 noisy fans at Rich Stadium to advance to the AFC Championship Game. The Bills blocked a punt and a field goal and forced a fumble on another punt late in the game to ice the win. Following Leonard Smith's block of a Greg Montgomery punt, the Bills drove 46 yards in five plays capped by Robb Riddick's one-yard TD run with 10:35 to go in the half. The Oilers answered with a 35-yard Tony Zendejas field goal, following an 11-play, 71-yard drive to make the score 7-3 at the intermission. The Bills' defense stymied Houston in the 3rd quarter as Oilers' QB Warren Moon was unable to complete a pass in the period. Thurman Thomas, who earlier had a career-best 40-yard run, scored from 11 yards out following a 59-yard drive to give the Bills a 14-3 lead after 3 quarters. Scott Norwood nailed a 27-yard field goal after Mark Kelso picked off a Moon pass and returned it 28 yards to put the Bills at the Houston 18. Houston drove 80 yards in 9 plays following a missed FG by Norwood and Mike Rozier finished the drive with a 1-yard scoring plunge with 5:12 remaining in the game. The Oilers forced Buffalo to punt with just under two minutes remaining, but Steve Tasker stripped the ball away from Curtis Duncan and Ray Bentley recovered at the Houston 18 allowing Buffalo to run out the clock and win the game.

Cincinnati Bengals 21, BILLS 10

January 8, 1989 — Riverfront Stadium — (59,747)

The Buffalo Bills' season ended in Riverfront Stadium as the Cincinnati Bengals dominated the Bills, 21-10, before a boisterous crowd. The Bills' offense sputtered throughout the game and

PLAYOFF GAMES

spent most of the second half pinned against its own goal line. Failing to convert on any 3rd down opportunities in the game, the offense managed only 181 total yards. Cincinnati scored first in the game following an Eric Thomas interception of a Jim Kelly pass. The Bengals drove 19 yards in 4 plays, capped by a 1-yard TD run by Ickey Woods. Buffalo answered with its only sustained drive of the day, as Kelly connected on all 4 of his passes in the 56-yard, 4-play drive which ended with a 9-yard scoring strike to Andre Reed to tie the game at 7-7. The Bills forced Cincinnati to punt and drove to the Bengals' 26-yard line, but Scott Norwood's 43-yard field goal attempt sailed wide left. The Bengals took advantage of the break and marched 74 yards in 11 plays to score on a Boomer Esiason 10-yard TD pass to James Brooks. The Bills pulled to within 4 at the half as Norwood connected on a 39-yard FG, following a Mark Kelso interception that was returned 25 yards to the Bengals' 29. The second half belonged to Cincinnati as it held Buffalo to 2 first downs and forced the Bills to start all 5 of its drives inside the 23-yard line. The Bengals took advantage of a personal foul against Bills' DB Derrick Burroughs to set up Woods' second 1-yard TD of the game to cap a 39-yard, 11-play drive and give the Bengals a 21-10 lead with just under 15 minutes to go in the game. Buffalo launched one last drive, but it ended when David Fulcher picked off a 4th-down pass from Kelly in the end zone. The Bengals were able to run out the remaining 8:07 in the game and earn a trip to Super Bowl XXIII.

100/100

There are only 3 players in Buffalo Bills' history to record both a 100-yard rushing game and a 100-yard receiving game in the same regular season.

O.J. Simpson did it in 1975 when he ran for 100 yards 8 times and caught passes for over 100 yards once. Joe Cribbs and Roland Hooks each accomplished the feat in 1981 when Cribbs topped 100 yards 3 times and passed the 100-yard receiving barrier once while Hooks rushed and received for over 100 yards a single time each.

Additionally, Bobby Burnett rushed for 100 yards in a game in 1966 and totaled over 100 yards receiving in a post-season contest that same year.

Buffalo Bills Summer Home

Campus View - College at Fredonia

The 245-acre campus of the State University of New York College at Fredonia has been the summer home of the Buffalo Bills since 1981. Located in the heart of northern Chautauqua County, halfway between Buffalo and Erie, Pa., the college has been cited as one of "America's Best Colleges" in a special edition by U.S. News and World Report. Ranked ninth in the national survey of 399 comprehensive colleges and universities, the college also achieved the high-

est ranking of any publicly-supported institution in the northeast. Programs are offered in a wide range of major disciplines, as well as student-designed majors, leading to bachelor's and master's degrees. Its nationally-recognized General College Program provides a required core of liberal arts studies.

Fredonia's campus incorporates an interesting blend of architecture, with a traditional brick perimeter enclosing a modern sculptured core of buildings designed by such famous architects as I.M. Pei. Enhancing the beauty of the campus are well-kept sloping lawns and wooded areas. While holding summer camp, the Bills' staff and players utilize many of the college's fine facilities. Team members, the coaching staff and management live and meet in three of the college's 13 dormitories. The college's food services staff provide meals for players and personnel in its Erie Dining Center.

In addition to the college's well-groomed playing fields, the Bills' utilize physical education facilities including Dods Hall and Steele Hall, the latter a new fieldhouse containing an indoor track and ice skating rink. Visitors are most welcome to the College at Fredonia during Bills' summer camp, or anytime throughout the year. In addition to its academic program, the college is a cultural center for the area, with student and guest productions at its Michael C. Rockefeller Arts Center.

WBEN RADIO NETWORK

Van Miller, John Murphy, Dave May

For the 11th consecutive season, all Buffalo Bills games will be carried by WBEN Radio (930 AM) and its network of 18 stations. Veteran broadcaster Van Miller will handle the play-by-play duties with assistance from John Murphy. Dave May will once again serve as the station's producer and engineer.

Miller will be in his 23rd season as the club's play-by-play announcer. The Dunkirk native is also the Sports Director at WIVB-TV (Channel 4) in Buffalo. Miller broadcast the Bills' first game in 1960 and called the action from 1960-71 and again after WBEN regained the broadcast rights in 1979. In addition to working with the Bills, Miller was also the voice of the NBA Buffalo Braves, the Buffalo Stallions of the MISL and he also did a stint as the play-by-play man for Niagara University basketball.

Murphy joined the broadcast team in 1983 as the color man and also handles the pre-game and post-game shows. The Syracuse graduate is Sports Director at WBEN Radio and the host of the popular talk show, "One-on-One Sports" which runs nightly during the week. His show won an award from the New York State AP for best sports coverage in 1987.

As of June 30, eighteen stations will air Buffalo Bills games both home and away beginning with the preseason opener with Washington on Saturday, August 5. The stations on the 1989 network are:

BUFFALO JILLS CHEERLEADERS

For the 24th year, the Buffalo Bills are pleased to present the Buffalo Jills cheerleading squad. This group of attractive young ladies has been training since May to entertain football fans and audiences. The Jills' squad is sponsored by Mighty Taco for the third consecutive year.

The 35-member squad participates in many charitable activities and public appearances which benefit the greater Western New York community. The Jills are led by director, Lori Marino, and business manager, Steve Nichols. For more information, call the Jills hotline at (716) 684-9312.

INSTANT REPLAY APPROVED FOR 1989

For the fourth consecutive season, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

The system stays the same as in 1988. The Replay Official will be assigned a regular officiating crew and will attend crew meetings the day before each game.

The following table outlines the number of reversals and plays closely reviewed by instant replay in each of the previous three seasons.

Games	Reversals	Plays	Closely Reviewed
1986	224	38	374
1987	210	57	490
1988	224	53	537

In 1986, the system was approved by a 23-4-1 vote. In 1987, the vote was 21-7. In 1988, replay was cleared by a 23-5 margin. In 1989, the vote was 24-4.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks - an independent system using cameras, replay machines, and technicians separate from the network covering the games, and a "no-frills" approach using existing TV coverage.

In 1985, the NFL used the network feed of the nine nationally-televised preseason games to experiment with the basic system which later was adopted for 1986, 1987, and 1988. A total of 28 plays (17 confirmed call, 4 inconclusives, 1 reversed, and 6 no replay shown) were closely examined in the 1985 experiment.

Q - What is the objective of this system? A - The clubs feel that on certain plays, the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has indisputable visual evidence available to him that warrants the change. Q - Who will be involved?

A - The Replay Official (a former NFL or collegiate official) will be positioned in a sideline Replay Booth, which will house two TV monitors and two high-speed VCRs plus radio communications to the on-field officials. The Replay Official makes the decision although a Communicator (normally a member of the League Office staff) and a Technician also will be there to lend logistical help.

Q - Why is the system referred to as "limited" Instant Replay?

A - This system will concentrate on plays of possession or touching (e.g. fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g. receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line). It also will be used to determine whether there are more than 11 men on the field.

Q - Why aren't most fouls included in this system?

A - It is recognized that in most circumstances, the on-field officials have the best vantage points involving fouls. It is for this reason that Instant Replay will not review a list of the following 26 fouls:

1. Clipping 2. Encroachment and offsides 3. Grasp of facemask 4. False start 5. Defensive pass interference 6. Offensive pass interference 7. Offensive holding and illegal use of hands 8. Illegal batting or punching ball 9. Illegal block on free kick or scrimmage kick 10. Illegal crackback 11. Illegal motion 12. Illegal use of forearm or elbow 13. Illegal use of hands by defense 14. Illegally kicking ball 15. Illegally snapping ball 16. Intentional grounding 17. Member of punting team downfield early 18. Illegal formation 19. Palpably unfair act 20. Piling on 21. Roughing the Passer 22. Running into/roughing kicker 23. Striking, kicking, or kneeling 24. Unnecessary roughness 25. Unsportsmanlike conduct 26. Use of helmet as a weapon

Q - Is the television network carrying the game part of the review process? A - No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to which plays to show or not to show. Q - What is the step-by-step procedure of a play review?

A - The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other one continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset. The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period after the play is over.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The Buffalo Bills Foundation was established in 1986 as a non-profit corporation to support charitable activities and organizations throughout the Western New York area. Bills' players and team personnel contribute their time and efforts to help raise funds for the Foundation.

A large portion of the funds raised in the past two years has come from the Genesee Brewing Company, Rochester, New York. Genesee, a longtime member and supporter of the Western New York community, donated \$100 for each point scored by the Bills in 1987 and 1988.

\$27,000 was donated by the brewery for the 270 points the team scored during the 1987 season, along with \$32,900 for the 329 points the Bills accumulated in 1988. For the 1989 season, Genesee will again contribute \$100 for each Buffalo point scored.

The Bills Foundation distributed a total of \$40,000 to local charitable organizations in 1988. Since its inception, many of the Foundation's efforts have been directed toward health services, educational facilities, religious charities, and youth/family athletic programs.

BILLS WOMEN'S CLUB

The Buffalo Bills Women's Club started in 1978 as the Buffalo Bills Wives Club. In 1987, the club changed it's name to the Bills' Women's Club which allowed it to include wives of players, coaches, staff, and female employees of the football club.

Since 1978, the Club has conducted the annual holiday food drive to support the Salvation Army Food Bank. In addition, they have become a sponsor of major fund-raising events in the Buffalo community during the past five years.

In 1986, the Women's Club held a charity auction and raised more than \$40,000 for the Ronald McDonald House. Last year, they published a cookbook, "From the Bills Grill", which contained recipes from the players and coaches. The project raised more than \$90,000 for Buffalo Children's Hospital.

The groups' plans for 1989 include the annual canned food drive along with a charity auction/dinner to benefit cancer research at Roswell Park Memorial Cancer Institute, October 13, 1989.
